

Step by Step
Instruction Re. Activation of Digi-Locker through Security PIN
provided by CBSE

1. Students need to check their ERP application (Entab), in which school has sent the pdf of Security PIN given by CBSE.
2. Students will write down their Security Pin after verifying with the Board Roll No mentioned in the pdf.
3. Read the manual to know the steps to activate your Digi Locker account.
4. [Click here](#) to download the manual given by CBSE.
5. After successful activation, change your security PIN if you get the option to change your PIN.
6. Students of Class X and XII can access their Digi Locker account anytime to retrieve their mark sheet and other important document provided by CBSE.
